General Information

Requests for immediate **Cancellation** of a **Williamson Act Contract** must be approved by Mariposa County and the State Department of Conservation. The Mariposa County Planning Department will prepare a Staff Report covering the request and schedule public hearings for the proposal with the Mariposa County Planning Commission and the Mariposa County Board of Supervisors. The Mariposa County Agricultural Advisory Committee will also review the request.

The Staff Report and public hearings will help the Board of Supervisors determine whether or not the immediate **Cancellation** is consistent with the purposes of the **Williamson Act**. California Government Code Section 51282 (a) states that cancellation may be granted only if the review agency (the Mariposa County Board of Supervisors) makes one of the following findings: (1) That the cancellation is consistent with the purposes of the Williamson Act, or (2) That the cancellation is in the public interest. If the Board cannot make one of these findings, the immediate cancellation must be denied (a property owner of Williamson Act contracted land always has the option of filing a Notice of Non-Renewal, which will be processed).

Section 51282 (b) (1), (2), (3), (4), (5) and Section 51282 (c) (1) and (2) detail all of the sub-findings that must be substantiated by the Board of Supervisors before the Request for Immediate **Cancellation** of a **Williamson Act Contract** can be tentatively approved. It is recommended that an application for immediate cancellation address Section 51282 (a), (b), and (c) on page 4 of the **Cancellation Application**. A copy of Government Code Section 51282 is attached for reference.

Costs

Application fees must be paid before the request for cancellation application will be accepted for processing. See the fee schedule within this application for fee costs.

There are also financial penalties associated with the cancellation process, should it be successful. When land is immediately released from a Land Conservation Act Contract, the land is reassessed at fair market value. The property owner will then be required to remit a penalty payment of 25% of the fair market value to Mariposa County (1/2 of which goes to the State of California).

Any recording fees are the responsibility of the applicant.

If there is more than one property owner, the applicant shall list the names and addresses of all other individuals who have an interest in the property.

3. Three (3) copies of Assessor's Plat Map indicating the location and boundaries of the property for which the Cancellation is being filed. The boundaries of the property must be outlined in red.
4. Payment of application fees as determined by Mariposa Planning. Deposit fees are for applications that are to be charged time and materials and are estimated using the staff hour charge of \$110 per hour. All additional staff time and expenses needed to complete the application processing that exceed the deposit amount will be charged at the disclosed rate at the time that services are rendered. On average, invoices will be calculated on a quarterly basis and forwarded to the applicant for payment. If the deposit falls below a balance of 20% of the initial deposit, the applicant will be asked to make a subsequent deposit in an amount estimated to be necessary to complete the processing. Applicants will be expected to pay the subsequent deposit within 30 days of the invoice date or prior to the public hearing, whichever comes first. In the event that the billing is not paid timely, processing will be suspended until payment is made. Any remaining balance will be used to reconcile the final bill. If there is a balance remaining after reconciling the final bill, a refund check will be mailed to the applicant. If the application requires a public hearing, the public hearing will not be scheduled until payment in full is received. It should be noted that the fees do not include consultants fee, specialized studies, CEQA charges, publication fees and any additional fees that maybe charged by other agencies or county offices.
