10:03 a.m. Roger Matlock, Sheriff;

A) Report and Recommendation from Vanir, Inc./Consultant, Relative to Selection of Jail Site; B) Request for Action by Board of Supervisors Relative to Direction for Acquisition of Jail Site; and C) Direction to Appropriate Staff, if Necessary, to Process an Amendment to the Specific Plan, Changing the Land Use for Jail Project of the Affected Parcels to the Appropriate Zoning

BOARD ACTION: Andy Morgan/Vanir, Inc., presented report and recommendation. Discussion was held concerning existing site expansion versus alternative sites. Tony Lashbrook/Planning Director, provided input. Administrative Officer advised of information received from MPUD concerning water and sewer utility costs for the sites. County Counsel advised of conversation with George Greenamyer - their land is in a family trust and he feels they would be a willing seller of approximately four acres for this project which would allow for possible expansion of the Sheriff administration facilities and juvenile facilities. He also advised of conversation with Bill Freeman - feels an agreement could be entered into for approximately ten acres based on purchase price of $550,000, with $250,000 cash and the balance to be forgiven. Andy Morgan recommended the Freeman site. Public input was provided by Joseph Emerson. Tony Lashbrook advised that the environmental impact report (EIR) should have at least three project alternatives - Board concurred with: 1) existing site, 2) Freeman site; and 3) airport site.

Supervisor Baggett requested that the EIR also address the possibility of adding the juvenile detention facilities and Sheriff’s administration to the selected site. Supervisor Radanovich requested that consideration be given to replacing land in the zoning classification that is used for the project. (M)Baggett, (S)Radanovich, Res. 92-551 adopted selecting the Freeman site as the preferred alternative location for the jail facilities. Motion was amended, agreeable with maker and second, directing staff to begin negotiation process for land acquisition with the understanding that no final acquisition will occur until after the EIR is completed and the Board has given direction; authorizing selection of and contract with design architect, with focus on the Freeman site; authorizing Planning to begin re-zoning process; and authorizing expenditures related to the EIR, design, land acquisition, and re-zoning process/Ayes: Baggett, Erickson, Radanovich, Taber; Excused: Punte.
