RECOMMENDATION AND JUSTIFICATION:

Approve Third Amendment with California Reforestation for Roadside Herbicide and Pre-Emergent Spraying to Extend the Term of the Agreement to May 31, 2021; and Authorize the Board of Supervisors Chair to Sign the Amendment

This amendment will allow for herbicide and where beneficial pre-emergent applications covering approximately 600 lane miles along County maintained Road Right-of-Way. The vendor, California Reforestation, is familiar with the County Road System as they have successfully provided these services in the past.

The Department will as previously described to the Board employ an Opt-Out Program allowing residents with property adjacent to County Right-of-Way the ability to opt-out of the chemical application program in exchange for the property owner assuming weed control responsibilities. Residents seeking additional information regarding the Opt-Out Program may contact the Public Works Department at 4639 Ben Hur Road to fill out the application agreement which is required to participate in this program. Enrollment in the Opt-Out Program will last for a period of two years unless otherwise revoked by the resident or by the Department due to breach of the terms of the program.
