RESOLUTION - ACTION REQUESTED 2021-368

MEETING: June 22, 2021
TO: The Board of Supervisors
FROM: Shannon Gadd, Health and Human Services Agency Director
RE: Agreement with Willow Glen Care Center to Provide Inpatient Services

RECOMMENDATION AND JUSTIFICATION:

Approve an Agreement with Willow Glen Care Center to provide inpatient mental health rehabilitation services for Mariposa County via Mariposa County Behavioral Health in an amount not to exceed \$150,000; and authorize the Board of Supervisors Chair to sign the Agreement.

The County does not operate inpatient mental health rehabilitation facilities and therefore contracts for such placements. Multiple contracts are necessary to meet the potential need for mental health emergency services because beds are in short supply throughout California. If the County limits the number of contracts, there would likely come a time that someone were in danger to themselves or others, and no bed space would be available.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The County approved the most recent agreement with Willow Glen Care Center through Resolution Number 2020-518 on August 25, 2020.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

If this contract is not approved, Behavioral Health crisis response workers may have greater difficulty in finding placements for Mariposa community members who require emergency psychiatric hospitalization.

FINANCIAL IMPACT:

This contract will continue to be paid within HHSA's Health Services division budget unit. The cost will not exceed the daily rates mentioned in Exhibit B of the contract. There is no impact to the County General Fund.

AGREEMENT FOR RESIDENTIAL CARE SERVICES

THIS AGREEMENT (“Agreement”) is made and entered into this 22nd day of June, 2021 by and between the County of Mariposa, a political subdivision of the State of California, (“County”), and Willow Glen Care Center (“Contractor”), pursuant to the following terms and conditions.

W I T N E S S E T H:

1. TERM

The term of this Agreement shall commence on July 1, 2021 and terminate on June 30, 2022 unless extended as provided by this Agreement.

2. SERVICES

Contractor shall perform residential care services as described in Exhibit A, “Scope of Work,” which is attached hereto and incorporated herein by reference. Contractor shall provide all staffing and materials necessary to perform the Scope of Work.

3. COMPENSATION

Contractor shall be compensated for services performed in an amount not to exceed \$150,000. Contractor’s hourly rates are listed in Exhibit B, “Cost Proposal.” County shall pay Contractor within thirty (30) of receipt of an approved invoice.

4. INSURANCE

Contractor shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by Contractor, its agents, representatives, or employees.

A. MINIMUM SCOPE AND LIMIT OF INSURANCE

Coverage shall be at least as broad as:

(1) Commercial General Liability (CGL): Insurance Services Office (ISO) Form CG 00 01 covering CGL on an “occurrence” basis, including products and completed operations, property damage, bodily injury and personal and advertising injury with limits no less than \$2,000,000 per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.

(2) Automobile Liability: ISO Form Number CA 00 01 covering any auto (Code 1), or if Contractor has no owned autos, hired (Code 8) and non-owned autos (Code 9), with limits no less than \$1,000,000 per accident for bodily injury and property damage.

(3) Workers' Compensation insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with a limit of no less than \$1,000,000 per accident for bodily injury or disease.

(4) Professional Liability (Errors and Omissions): Insurance appropriate to Contractor's profession, with a limit of no less than \$2,000,000 per occurrence or claim, \$2,000,000 aggregate.

If Contractor maintains broader coverage and/or higher limits than the minimums shown above, County requires and shall be entitled to the broader coverage and/or higher limits maintained by Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to County.

B. OTHER INSURANCE PROVISIONS

The insurance policies are to contain, or be endorsed to contain, the following provisions:

(1) Additional Insured Status: County, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to Contractor's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 forms if a later edition is used).

(2) Primary Coverage: For any claims related to this Agreement, Contractor's insurance coverage shall be primary insurance as respects County, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by County, its officers, officials, employees, or volunteers shall be excess of Contractor's insurance and shall not contribute with it.

(3) Notice of Cancellation: Each insurance policy required above shall state that coverage shall not be canceled, except with at least thirty (30) calendar days' notice to County.

(4) Waiver of Subrogation: Contractor hereby grants to County a waiver of any right to subrogation which any insurer of said Contractor may acquire against County by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not County has received a waiver of subrogation endorsement from the insurer.

(5) Deductibles and Self-Insured Retentions: Any deductibles or self-insured retentions must be declared to and approved by County. County may require Contractor to

purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

(6) Acceptability of Insurers: Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A: VII, unless otherwise acceptable to County.

(7) Verification of Coverage: Contractor shall furnish County with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by County before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive Contractor's obligation to provide them. County reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

(8) Subcontractors: Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that County is an additional insured on insurance required from subcontractors.

(9) Special Risks or Circumstances: County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

5. HOLD HARMLESS/INDEMNIFICATION

To the fullest extent permitted by law, Contractor shall hold harmless, defend at its own expense, and indemnify County, its officers, employees, agents, and volunteers, against any and all liability, claims, losses, damages, or expenses, including reasonable attorney's fees, arising from all acts or omissions of Contractor or its officers, agents, or employees in rendering services under this Agreement; excluding however such liability, claims, losses, damages, or expenses arising from County's sole negligence of willful acts.

6. INDEPENDENT CONTRACTOR

It is the expressed intention of the parties that Contractor is an independent contractor and not an employee, agent, joint venturer or partner of County. Nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee between County and Contractor or any employee or agent of Contractor. Both parties acknowledge that Contractor is not an employee for state or federal tax purposes. Contractor shall retain the right to perform services for others during the term of this Agreement.

7. PUBLIC EMPLOYEES RETIREMENT SYSTEM (CALPERS)

In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement is determined by a court of competent jurisdiction or the Public Employees Retirement System (CalPERS) to be eligible for enrollment in CalPERS as an employee of County, Contractor shall indemnify, defend, and hold harmless County for the payment of any employee and/or employer contributions for CalPERS benefits on behalf of

Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of County.

8. STATE AND FEDERAL TAXES

As Contractor is not County's employee, Contractor is responsible for paying all required state and federal taxes. In particular:

- a. County will not withhold FICA (Social Security) from Contractor's payments;
- b. County will not make state or federal unemployment insurance contributions on behalf of Contractor;
- c. County will not withhold state or federal income tax from payment to Contractor;

Contractor shall, upon the request of County, permit County to audit and inspect all of such records and data necessary to ensure Contractor's compliance with the terms of this Agreement. If compensation to be paid by County under this Agreement exceeds Ten Thousand Dollars (\$10,000), Contractor shall be subject to the examination and audit of the California State Auditor, as provided in Government Code section 8546.7, for a period of three (3) years after final payment under this Agreement. This section survives the termination of this Agreement.

SCOPE OF WORK

Introduction

The Willow Glen Care Center operates 24-hour residential care facilities for adults and the elderly with mental health conditions, including a licensed 60 bed Residential Care Facility for the Elderly and a licensed 56 bed Adult Residential Facility, in Yuba City, California. The facilities are licensed by the Community Care Licensing Division of the California Department of Social Services. The Center specializes in serving elderly and adults with dementia and other mental health conditions. Willow Glen Care Center is operated by a nonprofit, 501(c)(3) corporation in California.

The Center's facilities provide specialized residential care programs with a primary focus of continuous diagnostic assessment of the individual's mental health status, prevention of a mental health crisis, stabilization and maintenance of the mental health condition, and transitional planning with appropriate referrals to the least restrictive level of care. Included are four distinct programs within the facility that specialize in providing program elements to meet the individual needs of each resident. Willow Glen Care Center coordinates with County Mental Health Agencies or other community mental health providers to ensure that residents are placed in the program which best matches the resident's physical and mental health needs.

Admission Criteria

Willow Glen Care Center is intended for individuals who have an identifiable mental health condition or crisis, requiring temporary or long-term placement outside of their home. Willow Glen accepts "voluntary" and "conserved" elderly and adult residents who are referred from County Mental Health Agencies or community mental health providers who meet the admission criteria established for the program.

Programs

Intensive Residential Care Program

The Intensive Residential Care (IRC) Program is a program in the Willow Glen Care Center facility specializing in residential care for chronically mentally ill elderly and adults who are unable to maintain traditional residential placement because of chronic behavioral problems. It is oriented to those residents who need an intermediate placement before returning to a board and care, or those who are transitioning from an acute psychiatric inpatient program, I.M.D. or State Hospital.

The IRC Program provides intensive staff supervision, continuous resident redirection, increased social interaction with peers and staff, structured opportunities for development of social skills, a safe environment to explore and improve functional capacities and preparation for transition to a lower level of care.

The primary objective of the IRC Program is to assess and evaluate each resident and develop an individualized care plan focusing on maintaining psychiatric stability and assisting the resident to preserve placement at the lowest level of care possible.

Residents in the IRC program are reviewed weekly by the multidisciplinary team to determine the resident's progress and to facilitate and develop a transition plan to a lower level of care when appropriate.

Willow Glen Program

The Willow Glen Program is a program in the Willow Glen Care Center facility designed to meet the unique needs of both long-term residents who require intermediate physical and mental health care and those residents who are actively progressing to a lower level of care. The program will offer long-term residents a safe, secure and comfortable environment while continuing to encourage independence, self-awareness and goal setting. Continuous assessment of the long-term resident's needs will be provided with an emphasis on the support necessary to assist the resident toward stabilization and successful functioning in the least restrictive environment possible.

Residents who have stabilized their condition will be encouraged to progress to a lower level of care. Residents are expected to be proactive with their personal mental health issues, including medication management, interpersonal skill development and self-advocacy. The program incorporates principles of wellness and recovery to enhance the resident's sense of overall well-being by actively working on improved self-esteem, empowerment, autonomy and hope.

Residents will be assessed monthly and reviewed by the interdisciplinary treatment team with a recommendation for transition to a lower level of care when indicated

Golden Beginnings Program

The Golden Beginnings program is a program in the Willow Glen Care Center facility designed to meet the unique needs of the elderly resident with dementia or chronic mental illness. The program recognizes that this important life stage is one where residents seek relaxation, reflection, and focus on the pleasures of life. The program provides an environment that assists the elderly mentally ill to recognize and cope with the challenges of aging with dementia or mental illness while preserving the residents' personal sense of dignity.

Golden Beginnings will address these specific issues by providing a welcoming environment that seeks to minimize the loss of physical or cognitive abilities. Era familiar décor is utilized to stimulate cognitive functioning and create a sense of belonging and diminish feelings of alienation that come with aging. Access to adaptive equipment and techniques that allow the resident to maintain independence will be available to minimize the decline of physical abilities. Medication management, dietary management and health monitoring are followed closely by the multidisciplinary treatment team to ensure the needs of the elderly resident are met.

Golden Beginnings is designed for long-term residents, however those residents requiring

temporary assistance for recovery from illness, or psychiatric emergencies, are also eligible for placement. Residents will be discharged or transferred from this program when the resident no longer requires specialty services or needs a higher level of medical or psychiatric care. The desired outcome for residents is a successful, stable placement in a long-term care program that provides a safe environment and specialty mental health services while assisting the resident to maintain a personal sense of dignity.

Rosewood Program

The Rosewood Program is an adult residential facility within Willow Glen Care Center specializing in serving adults with mental health conditions. The program adopts the principles of wellness and recovery and is focused on returning residents to their communities into lower levels of care.

The program combines psychopharmacologic, cognitive and behavioral management along with introductory to advanced life skills education and training to provide individualized care that will aid residents to obtain their optimal level of functioning, including assisting residents to better manage their mental illness, make informed decisions about their treatment, pursue their own goals for recovery, and promoting overall wellness by assisting residents to develop the necessary skills to gain further independence.

The program offers structure, support and guidance for the needs of each resident and values and encourages resident involvement in the management of their mental health condition and overall well-being. Residents participate in a wide range of regularly scheduled strength-based groups and activities that prepare them to move back into their communities or to improve overall functioning.

The desired outcome for residents and their families is the resident's return to their home community or successful placement in a transitional or long term care program that provides a safe environment, specialty mental health services, self-respect and personal dignity and hope.

HIPAA Compliance

Willow Glen Care Center agrees to the extent required by 42 U.S.C. 1171 et seq., Health Insurance Portability and Accountability Act of 1996 (HIPAA), to comply with applicable requirements of law and subsequent amendments relating to protected health information, as well as any task or activity contractor performs on behalf of County, to the extent County would be required to comply with such requirements.
