## RESOLUTION - ACTION REQUESTED 2021-617

MEETING: November 9, 2021  
TO: The Board of Supervisors  
FROM: Shannon Hansen, Interim Director of Public Works & Transportation  
RE: Update on Emergency Repair Work on White Rock Road

---

### RECOMMENDATION AND JUSTIFICATION:

Review Emergency Repair Work on White Rock Road as Required by Public Contract Code Section 22050(c)(1); and Adopt a Finding that There is a Need to Continue the Emergency Action Pursuant to Public Contract Code Section 22050

### BACKGROUND AND HISTORY OF BOARD ACTIONS:

On October 14, 2021, an inspection occurred on a 10 ft x 10 ft box culvert located on White Rock Road approximately 0.40 miles north of the bridge across Mariposa Creek. The inspection revealed that there was extreme deterioration of the reinforced concrete structure and exposed steel throughout the concrete structure. The culvert posed a clear and imminent danger, requiring immediate action to prevent the loss or impairment of life, health, property, or essential public services.

On November 2, 2021, pursuant to Resolution 2021-606, the Board authorized an agreement with Palmer Tractor for emergency repair work on the box culvert located on White Rock Road.

### ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

If the Board does not review this action and determine, by a four-fifths vote, that there is a need to continue the emergency action, the emergency contracting procedures contained in Public Contract Code Sections 22050 may not be utilized.
